

The image shows a cross-section of a wall. On the left, there is a vertical black column. At the top and bottom of this column are rectangular sections with diagonal hatching. The wall itself is a large white rectangle with a black outline. At the bottom, there is a horizontal dimension line with arrows at both ends, indicating a width of 4.60. The text 'B5' is written in large red letters in the center of the wall, and 'mq 27,00' is written in black below it.
