

A technical drawing of a rectangular frame. The frame consists of four thick black vertical bars. The top-left corner is reinforced with a dark grey square. The left side has three hatched rectangular blocks: one at the top, one in the middle, and one at the bottom. The bottom edge of the frame is also hatched. The text 'B7' is centered in red. Below it, 'mq 17,00' is written in black, with a horizontal dashed line extending across the frame. At the bottom, a horizontal dimension line with arrows at both ends is labeled '2.80'.

**B7**

**mq 17,00**

**2.80**
